MR. CHAIRMAN : Q.No. 24. Shri Virendra Kataria. (*Interruptions)* The Minister said that he will look into it. (*Interruptions)* I have gone to the next question. You have taken a lot of time for this question. *{Interruptions)*

SHRI CHATURANAN MISHRA: Sir, the action taken should be reported to the House.

**US views about Pak Terrorism**

*44. SHRI VIRENDRA KATARIA: Will the Minister of EXTERNAL AFFAIRS be pleased to state:

(a) whether Government's attention has been drawn to a news item captioned "Wisner not for Pak as terrorist State" which appeared in the 'Hindustan Times', dated the 21st August, 1995;

(b) if so, what is the reaction of Government thereon;

(c) whether the recent release of the U.S. State Department's own Annual Report on Pattern of Global Terrorism indicates Pak's involvement in terrorist activities; and

(d) the steps being taken by Government to reconcile with these two contradicitory statements of the U.S. Government?

THE MINISTER OF EXTERNAL AFFAIRS (SHRI PRANAB MUKHERJEE): (a) Yes sir.

(b) The news item refers to the reluctance of the US to declare Pakistan a terrorist State for want of proof and specific findings. Government do not share the view of the US, which the US Ambassador has reitereated in the press conference, that there was no proof of Pakistan Govenrment's ' involvement in terrorist activities in India. On the contrary, the available evidence, both within India and within the US system, clearly establishes that Pakistan is actively engaged in financing, abetting, training and arming of militants and infiltration into India, particularly J&K.

†[]Transliteration in Arabic Script

(c) Yes, Sir.

(d) Government have pointned out to US officials that their Report on Patterns of Global Terrorism supported our position that Pakistan has been promoting and supporting terrorist activities in India. The US, evidently, have a different view. The Government, however, will continue its efforts to sensitize the US and other friendly countries on this matter and to impress upon them that there has been no change in Pakistan's sponsorship of terrorism in India.

SHRI VIRENDRA KATARIA: In spite of what the hon. Minister has stated, may I know from the Minister through you, Mr. Chairman, whether it is a fact that India's hope of pinning down Pakistan about its role in encouraging militancy in Kashmir has fallen flat on the United States and whether it is also a fact that the kidnapping of tourists from Western countries and beheading of one of them, which is a clinching evidence against Pakistan, has also made no dent in Washington, and if so, the reasons therefor and the steps taken by the Government to convince the United States administration about the role of Pakistan in encouraging terrorism?

SHRI PRANAB MUKHERJEE: Sir, as I have mentioned in the text of the reply, we do not share their perception and it is not merely a question of giving our view of Pakistan's role; they themselves in their report of the State Department in 1991-92 kept Pakistan on the watch-list of the States sponsoring terrorism. They removed Pakistan from that list on 14th of July, 1994. And even in their report on Patterns of Global Terrorism, which was published in April 1995, at two places it has been mentioned that Pakistan is supporting the terrorist activities and the observations which have been made therein clearly indicates that Pakistan is not desisting from abetting and supporting the terrorist activities, but surely, a country will have its own perception. And our perception is totally different from the perception which they have about the role of Pakistan as a State sponsoring terrorism and we will continue to prevail upon them that our perception is correct.

**श्री वीरेन्द्र कटारिया :** चेयरमैन साहब, जो मंत्री जी ने कहा हैं एक तरफ तो उनकी रिपोर्ट जो हैं उसमें तो उन्होने कहा है कि पाकिस्तान टैरोरिज्म को बढ़ाना नहीं देता हैं लेकिन जहां उनकी एक और रिपोर्ट है जैसा कि मंत्री जी ने कहा कि यू.एस. स्टेट डिपार्टमेंट एनुअल रिपोर्ट आन् पेटर्न आफ् ग्लोबल टैरोज्मि, उन्होने इस रिपोर्ट में पाकिस्तान को इंडक्ट किया हैं कि सपोर्ट टैरोज्मि, लेकिन उसके बावजूद जो अमरीका का सारा रोल हैं वह पाकिस्तान को आर्म्ड करके और उस आर्म्ड एंड आर्मामेंट को और पोलिटीकल सपोर्ट को इंडिया में और खास तौर से काश्मीर में टैरोज्मि को बढ़ावा देने के लिए इस्तेमाल कर रहा हैं इस बात से हमारी तसल्ली नहीं होती कि उनकी रिपोर्ट कहती हैं।

†**شری ویریندر کٹاریہ:** چیر مین صاحب جو منتری جی نے کہا ہے ۔ایک طرف تو انکی رپورٹ جو ہے۔ اسمیں تو انھوں نےکہا ہے کہ پاکستان ٹیرورزم کو بڑھاوا نہیں دیتا ہے۔ لیکن جہاں انکی ایک اور رپورٹ ہے جیساکہ منتری جی نے کہا ہے یو۔ایس۔اسٹیٹ ڈیپارٹمنٹ کی ایفول رپورٹ آن پیٹرون آف گلوبل ٹیرورزم۔ انھوں نے اس رپورٹ میں پاکستان کو انڈکٹ کیا ہے کہ "ھی سپورٹ ٹیرورزم"۔ لیکن اسکے باوجود جو امریکہ کا سارا رول ہے وہ پاکستان کو آرمڈ کرکے اور اس آرمڈاینڈ آرما مینٹ کو اور پالیٹیکل سپورٹ کو انڈیا میں اور خاص طور سے کشمیر میں ٹیرورزم کو بڑھاوا دینے کیلئے استعمال کر رہا ہے۔ اس بات سے ہماری تسلی نہیں ہوتی کہ انکی رپورٹ کہتی ہے۔

The reports are contradictory, but all their actions help Pakistan in creating

terrorism. May 1 know from the hon. Minister the steps the Government have taken to stop the U.S. arms transfer to Pakistan during the last three months and with what effect, and whether the Government hve urged the United States Government to join hands with India to combat the menace of terrorism which has already claimed several precious lives of our national leaders, and if so, the details thereof and the reaction of the United States administration in this regard.

SHRI PRANAB MUKHERJEE: Sir, the question is not merely.... *(interruption)...*

MR. CHAIRMAN: the Question Hour is over.
